Directions "Unboxing" the text:

- ❖ Choose five-seven symbols from your novel. Take an Instagram-worthy photo of the book along with props that represent the objects or symbols that you have selected.
 - Consider topics as well, or other connections you can make with concrete representation
 - Use found, borrowed, handmade, or creative props- please **DO NOT** print out 2-D images for your project
 - Your photo should represent the "mood" of your novel so consider the backdrop and color pallet.
- ❖ Create a Google Slides presentation including your Bento Box image on the first slide.
 - Create subsequent slides for each individual object in which you establish a claim/main idea and explain the importance of that item and its influence on the conflict(s), character(s), and/or contribution to the overall novel.
