LATE/MAKE-UP WORK POLICY

The expectation is that you submit all assignments on time. I accept late formative assignments **ONLY** until the end of the unit. These late assignments will have one level of mastery deduction.

If you are absent, it is your responsibility to follow proper procedures to ensure that you receive your work. You will have two days to make up any missing assignments.

ACADEMIC DISHONESTY

All work that you submit must be your own work. You may not do any of the following:

- 1) Turn in or copy someone else's work.
- 2) Copy someone's work and change a few of the words.
- 3) Copying words from a source without citing it and giving credit to the source.
- 4) Look at someone else's work during a quiz, test, or otherwise individual assessment.

If you are doing any of the above or anything else that constitutes cheating, you will receive a zero on that assignment, and you will be referred for discipline.

TECHNOLOGY

We will be utilizing various resources to access the Internet to research, review material, and submit assignments. You must hold yourselves to high expectations when you use these resources. Your time must be spent well.
